Brooklin Boat Yard is a full service yard located in Center Harbor on Eggemoggin Reach.

This area, between Blue Hill Bay and Penobscot Bay, is considered to be some of the finest cruising grounds in New England. Since 1960, we've specialized in custom design and new construction of wooden boats as well as quality maintenance, repair, and restoration of many classic yachts.

Our facilities include 10 & 80 ton TraveLifts, Awlgrip paint shop, full carpentry, electrical, machine, and rigging shops manned by a crew of skilled craftsmen who are second to none.
